Govt. Degree College Haripurdhar came into existence in the year 2011 and since then has made a steady progress towards ensuring quality education to its students. Situated at the top of a hill, it provides a bird's eye view of the surrounding area. It is located in the serene and picturesque beauty of Churdhar range in the ambience of chaste mountains covered with evergreen cedar trees on one side and the thick woods of beautiful red rhododendron on the other. At the time of its inception, the college ran in 'Maa Bhangayani' Temple Complex and later started operations from the new campus w.e.f. June 2017. Eleven batches of undergraduate classes have graduated from this institute till date. The college campus has been bejeweled with state of art facilities at par with the colleges in nearby towns and cities, a clear manifestation of the aims of RUSA in providing quality education to "one and all" irrespective of the geographical or social limitations and disparities.

The college offers UG programmes in following subjects of Arts stream: English, Sociology, History, Political Science, Hindi, Physical Education, Music (Vocal), the subjects: Physics, Chemistry and Mathematics in the Science (Non-Medical) stream and Subjects of Commerce stream. THE MISSION

The Higher education being at the apex of the entire educational structure influences all levels of education and thus affects the future of the nation. Our mission, as an institute of higher education, would be to inculcate among students universal values, curiosity to acquire knowledge, habits of observation and enquiry, strong belief in their own strengths, patience and ability to work hard.

THE VISION

The entire team of professionals at this college is driven by the vision to help the students seek wisdom and follow the path of righteousness with the motive to preserve the values of democracy, justice and liberty, equality and fraternity, sense of duty and patriotism to make the nation great and strong. True education is training of both the head and the heart. Knowledge without wisdom is meaningless. Therefore, educating the mind without morals does not serve the actual purpose of education. Education means cultivating inner strength, learning self-discipline and eagerness to learn. Educated persons are those who choose wisely and consciously under all circumstances. They choose wisdom over foolishness, good over bad and virtue over vice. The illusion of knowledge which leads to ignorance is not education. We intend to provide the society with competent men and women, who as cultivated individuals are fit to serve the society and the nation. The College aims to be an educational institution of repute, dedicated to academic excellence with a humane face contributing to social transformation through improvement in the quality of life.

THE AIM

Our aim is to help the students develop their potential by providing right kind of leadership. To develop and integrate the intellectual, physical, aesthetic, ethical and spiritual powers of the students to make them highly humane, cultured and integrated. A fine blend of resources like excellent teaching techniques , enriching cultural, sports and co-curricular activities are designed for personal growth and development of leadership qualities and team spirit to achieve this purpose. The focus is on development of 5 Cs to be successful in life -Character, Commitment, Conviction, Courtesy and Courage. Education is a liberating force. It liberates us from bondage, ignorance, backwardness and vices of lower human nature. The college aims to provide the best atmosphere for learning without any discrimination, prejudice or bias against any section of the society thereby realizing the bigger aim of striving to promote equality and social justice and to reduce social and cultural differences.

1. Class Attendance: Students are expected to be regular in attending the classes as this is very foundation of academic activities. In order to be eligible to appear in the University Examinations, a student must have 75% attendance in each of the course concerned, in theory as well as in practicals separately. The incentive for the classroom attendance will be awarded as CCA marks as follows:

SR. NO.	ATTENDANCE %	MARKS

- 3. Seminar/Assignment/Tutorials:** The remaining 10 marks of the CCA will be awarded on the basis of seminar/assignment/Tutorials etc. that the course teacher might give to the students.

ACADEMIC BANK OF CREDITS (ABC)

WHAT IS ACADEMIC BANK OF CREDITS (ABC)?

Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges or universities. There will be “multiple exits” & “multiple entries” points during the higher education tenure & credits will be transferred through the ABC seamlessly.

ABC can be considered as an authentic reference to check the credit record of any student at any given point in time. Thus, the concept of ABC is fuel to boost the efficiency of faculty and help students embrace a multi-disciplinary educational approach. The idea is to make students “skillful professionals” and help their overall growth.

In a crux, the Academic Bank of Credits will be a game-changer in transforming Indian education to a great extent.

FUNCTIONS OF ABC

- The Academic Bank will be accountable for opening, closing, and validating the academic accounts of students.
- It will carry out tasks such as credit accumulation, credit verification, credit transfer/redemption of students.
- The courses include online and distance mode courses offered by the government and institutes.
- The validity of these academic credits earned by students will be up to seven years and students can redeem these credits.
- The credits can be redeemed and students can seek admission directly in the second year at any university.
- The validity will be up to seven years, hence, students will have to rejoin within seven years.

CREDIT INFORMATION AS PER ABC

As per the courses, a credit structure will be created by the Government. When a student pursues any course and clears exams, credits will be automatically awarded to them. Institutions need to fill out the details and upload the deposits in the students' Academic Credit Bank's account on the digital portal.

EVALUATION AND VERIFICATION OF CREDITS

Any kind of credit evaluation & verification will be carried out by the Academic Credit Bank at regular intervals. If students want to transfer the credits, they need to approach the ABC for further process. It will help in regulating the processes with ultimate authenticity.

TYPES OF COURSES

Online & offline – both types of courses are included in the scheme. Some of the important ones include National Schemes such as–

- NPTEL
- SWAYAM
- V-LAB

Thus, the ABC will cover almost all types of courses including distance learning courses to help students of every possible stream.

CREDITS VALIDITY

The credits earned by students will be valid for seven years. However, the validity of credits is subject to change depending on the type of courses or disciplines. In such instances, ABC will provide the details of the exceptions to students. Even if a student takes a break or is not able to continue their education, they may redeem the earned credits in the future within the time limit of seven years.

In accordance with NEP-2020, it is mandatory for all the students to generate their unique Academic Bank of Credit (ABC) ID before the next academic session. This can be done easily by following the steps given below:

1. Create account on Digilocker though Digilocker app or website.
2. Using your Aadhaar number and mobile no. linked with Aadhaar (In case the mobile number linked with Aadhaar is not active, then please update your mobile number by visiting Aadhaar update center viz. Post Office or authorized banks/CSC).
3. Then visit <https://www.abc.gov.in/>
- Click on My Account > Student
4. Sign in using Digilocker account Id (linked mobile number) and password/pin
5. Select University>Himachal Pradesh University
6. Your ABC ID will be displayed on screen. Note it down and keep it safe.

REMEMBER: ABC ID is unique and can be generated only once.
